(PDF) List of General Engineering Journals

Discover 100+ in general engineering journals for 2026. Explore both paid and free options with detailed metrics, quartiles, impact factors, submission guidelines, and access types to elevate your research and publishing success.

Advanced Photonics Nexus

eISSN: 2791-1519

Advanced Photonics Nexus is a Gold Open Access international journal that publishes novel results of high significance and broad interest in all areas of optics and photonics. The journal covers a wide...

CTU Journal of Innovation and Sustainable Development

ISSN: 2588-1418

eISSN: 2815-6412

CTU Journal of Innovation and Sustainable Development (CTUJoISD) is an international double-blind peer-reviewed journal that publishes original high-quality research and review articles. The journal ai...

Water Harvesting Research

ISSN: 2476-6976

eISSN: 2476-7603

Water Harvesting Research (WHR) is an international, open access, scholarly publication that aims to provide a medium for dissemination of innovative and consequential papers within water harvesting c...

Digital Engineering

eISSN: 2950-550X

The Digital Engineering journal is an international, transdisciplinary platform dedicated to the advancement of digital engineering in a wide range of sectors. Our scope covers the theoretical, method...

Digital Transportation and Safety

eISSN: 2837-7842

Maximum Academic Press is a member of several prestigious academic organizations, including ALPSP, COPE, CrossRef, cOAlition S, OASPA, and STM. This affiliation demonstrates our commitment to upholding...

Railway Sciences

ISSN: 2755-0907

eISSN: 2755-0915

Railway Sciences is an international, peer-reviewed journal that aims to publish high-quality research papers and review articles in the field of railway sciences. The journal covers a wide range of topics...

APL Machine Learning

eISSN: 2770-9019

APL Machine Learning is a vibrant and timely research journal that focuses on two key communities: researchers who use machine learning (ML) and data-driven approaches for physical sciences and related...

ISSN: 2617-9040

eISSN: 2617-9059

Aims and Scope: The journal 'Transport Systems and Technologies' aims to present original and review works on the development of transport systems and technologies for all types of transport. The scope...

Tekstilec

ISSN: 0351-3386

eISSN: 2350-3696

Tekstilec is a scientific journal that publishes fundamental and applied research in the physical, chemical, and engineering sciences related to the textile industry. The journal covers a wide range of topics...

Journal of Airline and Airport Management

ISSN: 2014-4865

eISSN: 2014-4806

Journal of Airline and Airport Management is an open access scientific journal. The aim of JAIRM is to publish theoretical and empirical articles aimed to contrast, extend and build scientific knowledge...

Metrology and Measurement Systems

eISSN: 2300-1941

Metrology and Measurement Systems is an international journal that invites contributions on all aspects of research, development, and applications of measurement science and associated technology. The...

Saintek Perikanan

ISSN: 1858-4748

eISSN: 2549-0885

The journal covers a wide range of topics in fisheries and marine sciences, including but not limited to: Water resources management, Capture and utilization of fishery resources, Aquaculture and fish...

[Journal of Media Studies](#)

eISSN: 2949-3390

Dynamics of the Media System is a scientific periodical focused on research in the fields of mass communication, journalism, media education, and related disciplines. Our primary goal is to contribut...

[Journal of Agricultural Safety and Ergonomics](#)

ISSN: 2383-126X

eISSN: 2717-4107

Aims and Scope: The journal focuses on the following key areas:Ergonomics and Safety: Ergonomics and safety in agricultural machinery, including design, development, and implementation of safe and eff...

[Technology and Innovation](#)

ISSN: 1949-8241

eISSN: 1949-825X

Technology and Innovation is a peer-reviewed journal that aims to publish high-quality research papers in the field of technology and innovation. The journal covers a wide range of topics, including b...

[Invention Disclosure](#)

eISSN: 2772-4441

Invention Disclosure is an open access journal that provides an outlet for inventors, researchers, and technology transfer professionals to easily share and advertise (patentable) inventions and softw...

[Science, Technologie, DÃ©veloppement](#)

eISSN: 2752-6879

The Science, Technology, and Development journal aims to present studies that are pertinent to current development challenges, going beyond the strict framework of economic growth to encompass the way...

[JVS-Vascular Insights](#)

eISSN: 2949-9127

JVS-Vascular Insights is a premier international forum for the curation and dissemination of research related to vascular disease and its medical, endovascular, and surgical care.The Journal has two p...

ISSN: 1001-7313

eISSN: 1001-7313

Aims and Scope: The Journal of Applied Meteorological Science is a peer-reviewed journal that aims to publish high-quality research papers on various aspects of meteorology and its applications.The jo...

IEEE Journal of Indoor and Seamless Positioning and Navigation

ISSN: 2832-7322

IEEE Xplore is a not-for-profit organization dedicated to advancing technology for the benefit of humanity. As the world's largest technical professional organization, our mission is to provide a platf...

Emerging Media

ISSN: 2752-3543

eISSN: 2752-3551

The Emerging Media journal publishes original research articles, reviews, and case studies on the latest developments in media and communication studies. The scope of the journal includes, but is not l...

Jurnal Pendidikan Multimedia

ISSN: 2685-2489

eISSN: 2685-2535

Jurnal Pendidikan Multimedia publishes research in: digital multimedia broadcasting, education and training, multimedia and artificial intelligence, multimedia applications, communication and networki...

eISSN: 2783-4964

The Journal of Advanced Technologies in Water Efficiency (ATWE) aims to record and present scientific achievements in the field of water science and engineering, facilitating the exchange of these acc...

African Scientific Reports

ISSN: 2955-1625

eISSN: 2955-1617

African Scientific Reports (ASR) is a peer-reviewed journal that publishes original research across various disciplines. Our scope encompasses a wide range of fields, including: Biological Sciences, Che...

Human-Centric Intelligent Systems

eISSN: 2667-1336

Human-Centric Intelligent Systems is an international peer-reviewed journal dedicated to disseminating the latest research findings on all theoretical and practical applications in human-centric intel...

eISSN: 2821-0689

Human-Centric Intelligent Systems is an international peer-reviewed journal dedicated to disseminating the latest research findings on all theoretical and practical applications in human-centric intel...

Journal of Architecture in Hot and Dry Climate

ISSN: 2645-3711

eISSN: 2645-372X

The Journal of Architecture in Hot and Dry Climate is a leading international publication that aims to advance the field of contemporary architecture, vernacular and indigenous architecture, and relat...

Security and Safety

eISSN: 2826-1275

Security and Safety (S&S) aims to quickly publish high quality innovative and applicable research results in various fields that involve the intersection of cyber security and functional safety, i...

Clean Technologies and Recycling

eISSN: 2770-4580

Clean Technologies and Recycling is an international, peer-reviewed journal that aims to provide a platform for researchers, scientists, and engineers to share their latest findings and advancements i...

Journal of Water Resources and Irrigation

ISSN: 2423-5474

eISSN: 2717-3321

Journal of Water Resources and Irrigation publishes research in: management and economy, irrigation, water quality, recycling and wastewater, hydraulic structures.

Cement

eISSN: 2666-5492

Overview and Aim: Cement is a vital component of concrete, the most used human-made material on the planet. Roughly half of all products manufactured every year are comprised of cementitious materials...

Spectrum

eISSN: 2561-7842

Spectrum is a student-powered, collaborative undergraduate research journal that publishes thought-provoking, insightful, and dynamic interdisciplinary content. We aim to create an open-minded journal...

Athens Journal of Architecture

eISSN: 2407-9472

The Athens Journal of Architecture (AJA) is an Open Access quarterly double blind peer-reviewed journal that considers papers from all areas of architecture. The journal aims to provide a platform for...

[Crime, Security and Society](#)

eISSN: 2398-130X

Crime, Security and Society is an interdisciplinary, peer-reviewed open access publication with an applied focus on crime and security issues. The journal seeks research papers co-authored by academics...

[View Journal](#)

ISSN: 2782-3210

eISSN: 2500-316X

[View Journal](#) publishes research in: information security, robot, remote sensing, non-destructive testing, informatics.

[Sciences, Eaux & Territoires](#)

ISSN: 2109-3016

eISSN: 1775-3783

Sciences, Eaux & Territoires est une revue francophone qui vise à transférer les résultats de la recherche finalisée vers le milieu professionnel. La revue couvre les domaines suivants : gestio...

[Gazi Üniversitesi Fen Bilimleri Dergisi](#)

eISSN: 2147-9526

The Gazi University Science Journal: Design and Technology is a peer-reviewed journal that focuses on basic engineering issues. Its primary aim is to inform researchers and engineers about the latest...

[Acta Polytechnica CTU Proceedings](#)

eISSN: 2336-5382

Acta Polytechnica CTU Proceedings publishes research in: engineering, physics, mathematics, computer science.

[ARO-The Scientific Journal of Koya University](#)

ISSN: 2410-9355

eISSN: 2307-549X

ARO Journal is committed to publishing influential papers that significantly advance scientific understanding within specific fields or across interdisciplinary boundaries. As an Open Access, double-b...

[ComTech](#)

ISSN: 2087-1244

eISSN: 2476-907X

ComTech publishes research in: mathematics, engineering, information technology, statistics, computers.

Acta TechnologÃa

ISSN: 2453-675X

Aims and Scope: Acta TechnologÃa (AT) is an international scientific and professional journal focused on various aspects of technologies, including classic and traditional, new and modern, and scienti...

Journal of Advanced Materials in Engineering

ISSN: 2251-600X

eISSN: 2423-5733

The Journal of Advanced Materials in Engineering (JAME) is a double-blind peer-reviewed semiannual journal that aims to provide a platform for the publication and dissemination of original works on ad...

Revista de Estudios de Seguridad Internacional

eISSN: 2444-6157

The Revista de Estudios en Seguridad Internacional is a peer-reviewed journal that aims to provide a platform for scholars and researchers to discuss and analyze the complex issues related to internat...

Vestnik Volgogradskogo Gosudarstvennogo Universiteta. SeriÃ¢ 10. InnovacionnÃ¢

DeÃ¢tel'nost'

ISSN: 2305-7815

eISSN: 2409-2398

The Science Journal of Volgograd State University. Technology and Innovations aims to highlight urgent issues in technology and innovations, focusing on the application of scientific achievements in e...

Geodesy and Cartography

eISSN: 2300-2581

Geodesy and Cartography publishes research in: geodesy, surveying engineering, cartography, photogrammetry, geophysics.

Journal of Hydraulics and Water Science

eISSN: 3092-6114

The Journal of Hydraulics and Water Science aims to introduce and publish the latest and most up-to-date research and scientific findings in the fields of hydraulics and water engineering. Our scope in...

ReCIBE

eISSN: 2007-5448

ReCIBE es una revista electrÃ³nica que publica estudios y desarrollos tecnolÃ³gicos de corte cientÃ³fico-investigativo en diferentes tecnologÃ³as relacionadas con la integraciÃ³n ciber-humana. Nuestro...

[European Transport Studies](#)

eISSN: 2950-2985

European Transport Studies (ETS) is a peer-reviewed international journal that focuses on European transport issues across all modes and sectors. The journal publishes a wide range of topics, including...

[Technologie et Innovation](#)

eISSN: 2399-8571

Objectifs de la revue : Technologie et innovation est une revue pluridisciplinaire qui vise à analyser les systèmes et les paradigmes scientifiques et techniques, à étudier leurs trajectoires d'avenir...

[Urbanization, Sustainability and Society](#)

eISSN: 2976-8993

Urbanization, Sustainability and Society is a fully open access journal that publishes high-quality research articles, reviews, and case studies on the intersection of urbanization, sustainability, an...

[IEEE Open Journal of Systems Engineering](#)

eISSN: 2771-9987

IEEE Open Journal of Systems Engineering publishes research in: components, circuits and systems, devices, general engineering topics.

[Journal of Geomine](#)

eISSN: 2981-0876

Aims and Scope: The Journal of Geomine is a premier publication that invites original research papers across a broad range of disciplines, including Mineral Exploration, Mining Engineering, Mine Safety...

[Journal of Hydraulic and Water Engineering](#)

eISSN: 2980-986X

Journal of Hydraulic and Water Engineering (JHWE) is a fully open access, double-blind peer-reviewed, electronic and print, Bi-Quarterly Publication concerned with hydraulics and water engineering...

[Frontiers in Industrial Microbiology](#)

eISSN: 2813-7809

Frontiers in Industrial Microbiology publishes research in: biofuel production, circular bioeconomy, industrial enzymatic processes, microbial fermentation, pharmaceutical biotechnology.

[SiliconPV Conference Proceedings](#)

eISSN: 2940-2123

SiliconPV Conference Proceedings is an open-access proceedings series that aims to provide a platform for the international scientific community to share and discuss the latest advancements in crystal...

SolarPACES Conference Proceedings

eISSN: 2751-9899

SolarPACES Conference Series aims to advance the development and deployment of concentrating solar thermal technologies through international collaboration and knowledge sharing. The conference series...

Journal of Cycling and Micromobility Research

eISSN: 2950-1059

The Journal of Cycling and Micromobility Research (JCMR) is an open access, peer-reviewed academic journal that publishes research on a wide range of cycling and micromobility related topics. Our journal...

ISSN: 2251-6174

eISSN: 2676-4636

The Journal of Watershed Management Research aims to disseminate the results of research and studies conducted in the field of watershed management. Our scope includes assisting in the development and...

Yeni Medya

eISSN: 2587-1285

New Media/Yeni Medya is a peer-reviewed, electronic, international journal that focuses on communication research, technology, and digital culture. The journal examines the digital media ecosystem, ide...

Journal of Economy and Technology

eISSN: 2949-9488

The Journal of Economy and Technology (JET) is an open access, peer-reviewed academic journal that provides an international forum for scholarly interaction and research on economics, management, and...

Frontiers in Imaging

eISSN: 2813-3315

Frontiers in Imaging publishes research in: image acquisition, image analysis, image coding, image interpretation, image retrieval.

Transport Economics and Management

eISSN: 2949-8996

Transport Economics and Management is an open access, peer-reviewed academic journal that publishes research on all aspects of transportation business, management, and economics. This includes areas s...

Frontiers in Lab on a Chip Technologies

eISSN: 2813-3862

Frontiers in Lab on a Chip Technologies publishes research in: microtechnology, nanoelectromechanical systems, nanotechnology.

Táºp chÃ Khoa hÃ»c Ä±há»c Cáº§n ThÆ¡

ISSN: 1859-2333

CITAS

eISSN: 2422-4529

La revista CITAS de la Universidad Santo TomÃ¡s tiene como objetivo presentar los avances y resultados de trabajos de investigaciÃ³n relacionados con ciencia, innovaciÃ³n, tecnologÃa, ambiente y soci...

Surgery Open Digestive Advance

eISSN: 2667-0089

Surgery Open Digestive Advance publishes research in: abdominal surgery, digestive system, digestive surgery, abdominal cancer, cancer surgery.

International Journal of Science, Technology, Engineering and Mathematics

ISSN: 2799-1601

eISSN: 2799-161X

Aims and Scope of the International Journal of Science, Technology, Engineering & Mathematics (IJSTEM) is to provide a platform for the publication of high-quality, peer-reviewed articles in the field...

Sustainable Development and Engineering Economics

eISSN: 2782-6333

Sustainable Development and Engineering Economics (SDEE) is an international scientific journal that aims to provide a platform for knowledge exchange about the interrelations between sustainability,...

Jurnal Teknologi Informasi dan Pendidikan

ISSN: 2086-4981

eISSN: 2620-6390

Jurnal Teknologi Informasi dan Pendidikan publishes research in: learning media, technology, virtual learning environment, software engineering, internet of things.

Perner's Contacts

eISSN: 1801-674X

Perner's Contacts je elektronický recenzovaný časopis, který se zaměřuje na aktuální problémy v dopravě a souvisejících vědních disciplínách. Hlavními tématy jsou: Ekonomika a management...

Glocality

eISSN: 2059-2949

Glocality is a student-faculty-run multidisciplinary undergraduate academic journal that provides a platform for students from around the world to share their knowledge with the scholarly community. We...

Journal of Transportation and Logistics

ISSN: 2459-1718

Journal of Transportation and Logistics publishes research in: transportation, logistics, supply chain management.

Tribology Online

ISSN: 1881-218X

eISSN: 1881-2198

Tribology Online is a peer-reviewed electronic journal that facilitates global exchange of up-to-date information among tribologists and researchers in relevant fields. The journal publishes high-qual...

Smart and Resilient Transportation

eISSN: 2632-0495

The Smart and Resilient Transportation journal aims to publish high-quality research papers that focus on the development of smart and resilient transportation systems. The journal covers a wide range...

ArchAlp

ISSN: 2611-8653

eISSN: 2039-1730

ArchAlp is an international journal that publishes original research and reviews on architecture and landscape in the Alpine region. The journal aims to promote interdisciplinary dialogue and collabor...

Revista Tecnologia

ISSN: 0101-8191

eISSN: 2318-0730

Revista Tecnologia publishes research in: technology, engineering.

Resources, Conservation & Recycling: X

eISSN: 2590-289X

Resources, Conservation & Recycling: X publishes research in: resources conservation, sustainability, recycling, resource management.

Tecnología Educativa

ISSN: 2519-9463

Aims and Scope The journal aims to provide a platform for disseminating original research results in the areas of media research, development, and innovation, with a focus on educational applications o...

Journal of Hydraulic Structures

ISSN: 2345-413X

eISSN: 2345-4156

Journal of Hydraulic Structures publishes research in: hydraulic, structures, water resources, modelling.

Politehnika

ISSN: 2584-5373

eISSN: 2584-6264

Politehnika publishes research in: technology education, computer sciences, information sciences, engineering.

Regeneration, Reconstruction & Restoration

ISSN: 2476-5163

eISSN: 2476-5171

Regeneration, Reconstruction & Restoration publishes research in: regeneration, reconstruction, restoration, craniomaxillofacial, mesenchymal stem cells.

Sustainable Buildings

eISSN: 2492-6035

Sustainable Buildings is a leading interdisciplinary journal that disseminates cutting-edge knowledge and practices in sustainable built environments. Our mission prioritizes human health and well-bei...

Invotec

ISSN: 1411-5514

eISSN: 2461-1336

Invotec publishes research in: vocational education, technology training, engineering education.

Acta Simulatio

ISSN: 1339-9640

The Acta Simulatio international scientific and professional journal focuses on simulation and modelling in all its versions, including computer simulation and mathematics modelling. The journal aims t...

ISSN: 2220-9506

eISSN: 2414-0473

Aims and Objectives of the journal "Instruments and Measurement Methods" include the following: – Providing timely information to the scientific community on achievements in domestic and international...

Teknik

ISSN: 0852-1697

eISSN: 2460-9919

TEKNIK is a peer-reviewed journal that publishes scientific articles from various engineering disciplines. Our journal aims to provide a platform for researchers and experts to share their knowledge a...

Journal of Sustainable Design and Applied Research in Innovative Engineering of the Built Environment

eISSN: 2009-549X

Aims and Scope: The SDAR Journal of Sustainable Design & Applied Research publishes applied research in sustainable engineering design of buildings, focusing on energy management and passive design of...

AIMS Bioengineering

ISSN: 2375-1487

eISSN: 2375-1495

Aims and Scope: AIMS Bioengineering is an international, open-access journal that publishes original research articles, reviews, and short communications in the field of bioengineering. The journal foc...

GEPROS. Gestão da Produção, Operações e Sistemas

eISSN: 1984-2430

GEPROS. Gestão da Produção, Operações e Sistemas publishes research in: operations management, production engineering, management, production management.

ISSN: 1999-9941

eISSN: 2078-6387

The Information Technologies and Computer Engineering journal is committed to publishing high-quality, peer-reviewed articles that advance the field of information technology and computer engineering....

Düzce Üniversitesi Teknik Bilimler Dergisi

ISSN: 3023-591X

Düzce University Journal of Technical Sciences aims to promote knowledge sharing and contribute to the enrichment of scientific discussions by publishing original research in the field of engineering...

Journal Orthopaedi and Traumatology Surabaya

ISSN: 2722-712X

eISSN: 2460-8742

The Journal of Orthopaedi and Traumatology Surabaya (JOINTS) is a peer-reviewed journal dedicated to advancing knowledge and practice in all aspects of orthopedics and traumatology. We welcome original...

Al-Ulum

ISSN: 2477-4731

Al-Ulum publishes research in: natural sciences, engineering, computer science and technology, health and medical sciences, agriculture.

National Science Open

ISSN: 2097-1168

eISSN: 2097-1400

The SciEngine journal is an open-access publication that aims to provide a platform for researchers and scientists to share their knowledge and research findings. The journal's scope includes a wide ra...

Uluslararası İşletme Dergisi

ISSN: 2251-6409

eISSN: 2423-6950

Uluslararası İşletme Dergisi publishes research in: operations management, logistics, time and work study, ergonomics, quality management.

Journal of Physics: Theories and Applications

ISSN: 2549-7316

eISSN: 2549-7324

Journal of Physics: Theories and Applications publishes research in: physics, theoretical physics, education, physics education, material engineering.

Region: Jurnal Pembangunan Wilayah dan Perencanaan Partisipatif

ISSN: 1858-4837

eISSN: 2598-019X

The REGION journal is a peer-reviewed publication that focuses on scientific articles related to regional and urban development, participatory planning, and sustainable development. Our scope encompasses...
