(PDF) List of IGI Global Publishing Journals

Discover 80+ from IGI Global Publishing journals for 2025. Explore both paid and free options with detailed metrics, quartiles, impact factors, submission guidelines, and access types to elevate your research and publishing success.

Information Management

ISSN: 1080-286X

Cessation. This practical, informative semi-annual newsletter is a leading publication of information technology resources management. Short, concise articles give you objective, professional views of...

Information Resources Management Journal

ISSN: 1040-1628

eISSN: 1533-7979

The mission of Information Resources Management Journal (IRMJ) is to be instrumental in the improvement and development of the theory and practice of information resources management, to educate organ...

International Journal of Agricultural and Environmental Information Systems

ISSN: 1947-3192

eISSN: 1947-3206

The International Journal of Agricultural and Environmental Information Systems (IJAEIS) presents high quality research papers on the design and implementation of information systems in the fields of...

International Journal of Ambient Computing and Intelligence

ISSN: 1941-6237

eISSN: 1941-6245

The primary objective of the International Journal of Ambient Computing and Intelligence (IJACI) is to provide comprehensive coverage and understanding of cutting-edge research in fields as diverse as...

International Journal of Applied Geospatial Research

ISSN: 1947-9654

eISSN: 1947-9662

The International Journal of Applied Geospatial Research (IJAGR) publishes research that exemplifies the usage of geographic information science and technology (GIS&T) to explore and resolve geographi...

International Journal of Applied Metaheuristic Computing

ISSN: 1947-8283

eISSN: 1947-8291

The mission of International Journal of Applied Metaheuristic Computing (IJAMC) is to publish and disseminate original research on modeling, analysis, and applications in metaheuristic computing. The...

International Journal of Asian Business and Information Management

ISSN: 1947-9638

eISSN: 1947-9646

The mission of the International Journal of Asian Business and Information Management (IJABIM) is to establish an effective channel of communication between academic and research institutions, policy...

International Journal of Business Analytics

ISSN: 2334-4547

eISSN: 2334-4555

The main objective of the International Journal of Business Analytics (IJBAN) is to advance the next frontier of decision sciences and provide an international forum for practitioners and researchers...

International Journal of Business Data Communications and Networking

ISSN: 1548-0631

eISSN: 1548-064X

The mission of the International Journal of Business Data Communications and Networking (IJBDCN) is to disseminate practical and theoretical information, which will enable readers to understand, manag...

International Journal of Business Intelligence Research

ISSN: 1947-3591

eISSN: 1947-3605

The mission of the International Journal of Business Intelligence Research (IJBIR) is to advance research in the field of business intelligence and analytics. IJBIR is a peer-reviewed publication dedi...

International Journal of Cloud Applications and Computing

ISSN: 2156-1834

eISSN: 2156-1826

The mission of the International Journal of Cloud Applications and Computing (IJCAC) is to be the resource for the most innovative scholarly and professional research and information pertaining to asp...

International Journal of Cognitive Informatics and Natural Intelligence

ISSN: 1557-3958

eISSN: 1557-3966

Cognitive Informatics (CI) is a cutting-edge and multidisciplinary research area that tackles the fundamental problems shared by modern informatics, computation, software engineering, AI, cybernetics,...

International Journal of Computer-Assisted Language Learning and Teaching

ISSN: 2155-7098

eISSN: 2155-7101

The mission of the International Journal of Computer-Assisted Language Learning and Teaching (IJCALLT) is to publish research, theory, and conceptually-based papers that address the use and impact of...

International Journal of Customer Relationship Marketing and Management

ISSN: 1947-9247

eISSN: 1947-9255

The mission of the International Journal of Customer Relationship Marketing and Management (IJCRMM) is to provide broad international coverage of subjects relating to all areas of customer relationshi...

International Journal of Cyber Behavior, Psychology and Learning

ISSN: 2155-7136

eISSN: 2155-7144

The mission of the International Journal of Cyber Behavior, Psychology and Learning (IJCPL) is to identify learners' online behavior based on the theories in human psychology, define online educati...

International Journal of Cyber Warfare and Terrorism

ISSN: 1947-3435

eISSN: 1947-3443

The mission of the International Journal of Cyber Warfare and Terrorism (IJCWT) is to explore a range of security related topics and generate research debates in relation to cyber warfare and terroris...

International Journal of Data Warehousing and Mining

ISSN: 1548-3924

eISSN: 1548-3932

The International Journal of Data Warehousing and Mining (IJDWM) aims to publish and deliver knowledge in the areas of data warehousing and data mining on an international basis. This journal is publi...

International Journal of Decision Support System Technology

ISSN: 1941-6296

eISSN: 1941-630X

The primary objective of the International Journal of Decision Support System Technology (IJDSSST) is to provide comprehensive coverage for DMSS technology issues. The issues can involve, among other t...

International Journal of Digital Crime and Forensics

ISSN: 1941-6210

eISSN: 1941-6229

The mission of the International Journal of Digital Crime and Forensics (IJDCF) is to provide and foster a forum for advancing research and development of the theory and practice of digital crime prev...

International Journal of Distance Education Technologies

ISSN: 1539-3100

The International Journal of Distance Education Technologies (IJDET) is a primary forum for researchers and practitioners to disseminate practical solutions that support learners, teachers, and admini...

International Journal of Distributed Systems and Technologies

ISSN: 1947-3532

eISSN: 1947-3540

The mission of the International Journal of Distributed Systems and Technologies (IJ DST) is to be a timely publication of original and scholarly research contributions, publishing papers in all aspect...

International Journal of E-Adoption

ISSN: 1937-9633

eISSN: 1937-9641

The mission of the International Journal of E-Adoption (IJE A) is to broaden the overall body of knowledge in Internet and other information and communication technologies adoption at the firm, state,...

International Journal of e-Business Research

ISSN: 1548-1131

eISSN: 1548-114X

The primary objective of the International Journal of E-Business Research (IJE BR) is to provide an international forum for researchers and practitioners to advance the knowledge and practice of all fa...

International Journal of E-Entrepreneurship and Innovation

ISSN: 1947-8585

eISSN: 1947-8593

The mission of the International Journal of E-Entrepreneurship and Innovation (IJEEI) is to provide an international forum for researchers and practitioners to advance the knowledge and practice of al...

International Journal of E-Health and Medical Communications

ISSN: 1947-315X

eISSN: 1947-3168

The mission of the International Journal of E-Health and Medical Communications (IJEHMC) is to be a prime source for the advancement of knowledge, application, and practice in the interdisciplinary ar...

International Journal of Electronic Government Research

ISSN: 1548-3886

eISSN: 1548-3894

The mission of the International Journal of Electronic Government Research (IJEGR) is to supply academicians, practitioners, and professionals with quality applied research results in the field of ele...

International Journal of Embedded and Real-Time Communication Systems

ISSN: 1947-3176

eISSN: 1947-3184

The mission of the International Journal of Embedded and Real-Time Communication Systems (IJERTCS) is to disseminate recent advancements and innovations in this interdisciplinary research area for fie...

International Journal of Enterprise Information Systems

ISSN: 1548-1115

eISSN: 1548-1123

The primary objective of the International Journal of Enterprise Information Systems (IJEIS) is to provide comprehensive coverage and understanding of various enterprise information systems (EIS) such...

International Journal of E-Planning Research

ISSN: 2160-9918

eISSN: 2160-9926

The mission of the International Journal of E-Planning Research (IJEPR) is to provide scholars, researchers, students, and urban and regional planning practitioners with analytical and theoretically-i...

International Journal of E-Services and Mobile Applications

ISSN: 1941-627X

eISSN: 1941-6288

The International Journal of E-Services and Mobile Applications (IJESMA) promotes and publishes state-of-the art research regarding different issues in the production management, delivery and consumpt...

International Journal of Fuzzy System Applications

ISSN: 2156-177X

eISSN: 2156-1761

The mission of the International Journal of Fuzzy System Applications (IJFSA) is to provide audiences with an extensive exploration of fuzzy technologies, computing, and systems, while ensuring that p...

International Journal of Game-Based Learning

ISSN: 2155-6849

eISSN: 2155-6857

The mission of the International Journal of Game-Based Learning (IJGBL) is to promote knowledge pertinent to the design of Game-Based Learning environments, and to provide relevant theoretical framewo...

International Journal of Gaming and Computer-Mediated Simulations

ISSN: 1942-3888

eISSN: 1942-3896

The International Journal of Gaming and Computer-Mediated Simulations (IJGCMS) publishes research articles, theoretical critiques, and book reviews related to the development and evaluation of games a...

International Journal of Geotechnical Earthquake Engineering

ISSN: 1947-8488

eISSN: 1947-8496

The mission of the International Journal of Geotechnical Earthquake Engineering (IJGEE) is to publish a bi-annual publication of peer-reviewed articles on research and development in analytic, experim...

International Journal of Grid and High Performance Computing

ISSN: 1938-0259

eISSN: 1938-0267

The primary mission of the International Journal of Grid and High Performance Computing (IJGHPC) is to provide an international forum for the dissemination and development of theory and practice in gr...

International Journal of Healthcare Information Systems and Informatics

ISSN: 1555-3396

eISSN: 1555-340X

The mission of the International Journal of Healthcare Information Systems and Informatics (IJHISI) is to be a prime source for both academic researchers and practitioners to advance the knowledge and...

International Journal of Human Capital and Information Technology Professionals

ISSN: 1947-3478

eISSN: 1947-3486

The mission of the International Journal of Human Capital and Information Technology Professionals (IJHCITP) is to offer an outlook on the state of the IT profession from the perspective of economic v...

International Journal of Information and Communication Technology Education

ISSN: 1550-1876

eISSN: 1550-1337

The mission of the International Journal of Information and Communication Technology Education (IJICTE) is to serve as a medium for introducing, collaborating, analyzing, synthesizing, and evaluating...

International Journal of Information Security and Privacy

ISSN: 1930-1650

eISSN: 1930-1669

As information technology and the Internet become more and more ubiquitous and pervasive in our daily lives, there is an essential need for a more thorough understanding of information security and pr...

International Journal of Information System Modeling and Design

ISSN: 1947-8186

eISSN: 1947-8194

The mission of the International Journal of Information System Modeling and Design (IJISMD) is to provide an international forum for modeling experts and design professionals for exchanging innovative...

International Journal of Information Systems and Supply Chain Management

ISSN: 1935-5726

eISSN: 1935-5734

The International Journal of Information Systems and Supply Chain Management (IJISSCM) provides a practical and comprehensive forum for exchanging novel research ideas or down-to-earth practices which...

International Journal of Information Systems in the Service Sector

ISSN: 1935-5688

eISSN: 1935-5696

The International Journal of Information Systems in the Service Sector (IJISS) provides a significant channel for practitioners and researchers (from both public and private areas of the service sect...

International Journal of Information Technologies and Systems Approach

ISSN: 1935-570X

eISSN: 1935-5718

The International Journal of Information Technologies and the Systems Approach (IJITSA) publishes research articles that are globally relevant for IT stakeholders and where a systemic interdisciplinary...

International Journal of Information Technology and Web Engineering

ISSN: 1554-1045

eISSN: 1554-1053

Organizations are continuously overwhelmed by a variety of new information technologies, many are Web based. These new technologies are capitalizing on the widespread use of network and communication...

International Journal of Information Technology Project Management

ISSN: 1938-0232

eISSN: 1938-0240

The mission of International Journal of Information Technology Project Management (IJITPM) is to provide a forum for practitioners and researchers from both public and private sectors of project manag...

International Journal of Intelligent Information Technologies

ISSN: 1548-3657

eISSN: 1548-3665

The advent of the World Wide Web has sparked renewed interest in the area of intelligent information technologies. There is a growing interest in developing intelligent technologies that enable users...

International Journal of Intelligent Mechatronics and Robotics

ISSN: 2156-1664

eISSN: 2156-1656

Cessation. The primary objective of the International Journal of Intelligent Mechatronics and Robotics (IJIMR) is to foster the synergistic integration of diverse disciplines, such as mechanical engin...

International Journal of IT Standards and Standardization Research

ISSN: 1539-3062

eISSN: 1539-3054

Now International Journal of Standardization Research (IJSR). The primary mission of the International Journal of Standardization Research (IJSR) is to publish research findings that will advance know...

International Journal of Knowledge and Systems Science

ISSN: 1947-8208

eISSN: 1947-8216

The mission of the International Journal of Knowledge and Systems Science (IJKSS) is to promote the development of knowledge science and systems science as well as the collaboration between the two sc...

International Journal of Knowledge Management

ISSN: 1548-0666

eISSN: 1548-0658

The purpose of the International Journal of Knowledge Management (IJKM) is to provide a comprehensive, cross-discipline forum for advancing the understanding of the organizational, technical, human, a...

International Journal of Manufacturing, Materials, and Mechanical Engineering

ISSN: 2156-1680

eISSN: 2156-1672

The mission of the International Journal of Manufacturing, Materials, and Mechanical Engineering (IJMMME) is to provide a channel of communication to disseminate knowledge between academics/researcher...

International Journal of Mobile and Blended Learning

ISSN: 1941-8647

eISSN: 1941-8655

The primary mission of the International Journal of Mobile and Blended Learning (IJMBL) is to provide insight and understanding into the role of innovative learning theory and practice in an increasin...

International Journal of Mobile Computing and Multimedia Communications

ISSN: 1937-9412

eISSN: 1937-9404

The primary goal of the International Journal of Mobile Computing and Multimedia Communications (IJMCMC) is to provide researchers and academic communities around the world with the highest quality ar...

International Journal of Mobile Human Computer Interaction

ISSN: 1942-390X

eISSN: 1942-3918

The primary objective of the International Journal of Mobile Human Computer Interaction (JMHCI) is to provide comprehensive coverage and understanding of the issues associated with the design, evaluat...

International Journal of Online Pedagogy and Course Design

ISSN: 2155-6873

eISSN: 2155-6881

The mission of the International Journal of Online Pedagogy and Course Design (IJOPCD) is to provide a platform for the latest research, analysis, and development of online education, effective online...

International Journal of Open Source Software and Processes

ISSN: 1942-3926

eISSN: 1942-3934

The International Journal of Open Source Software and Processes (IJOSSP) publishes high-quality peer-reviewed and original research articles on the large field of open source software and processes. T...

International Journal of Operations Research and Information Systems

ISSN: 1947-9328

eISSN: 1947-9336

The International Journal of Operations Research and Information Systems (IJORIS) aims to present new and innovative contributions in Operations Research (OR) theories, applications, and case studies,...

International Journal of Public Administration in the Digital Age

ISSN: 2334-4520

eISSN: 2334-4539

The mission of the International Journal of Public Administration in the Digital Age (IJPADA) will examine emerging and innovative technologies and their adoption in public and nonprofit organizations...

International Journal of Reliable and Quality E-Healthcare

ISSN: 2160-9551

eISSN: 2160-956X

The mission of the International Journal of Reliable and Quality E-Healthcare (IJRQEH) is to facilitate a detailed analysis of the e-health and quality interaction. As e-health embodies new electronic...

International Journal of Service Science, Management, Engineering, and Technology

ISSN: 1947-959X

eISSN: 1947-9603

The International Journal of Service Science, Management, Engineering, and Technology (IJSSMET) is a multidisciplinary journal that publishes high-quality and significant research in all fields of com...

International Journal of Social Ecology and Sustainable Development

ISSN: 1947-8402

eISSN: 1947-8410

The mission of the International Journal of Social Ecology and Sustainable Development (IJESD) is to establish a new set of platforms for intellectual discourse and identification of critical and str...

International Journal of Sociotechnology and Knowledge Development

ISSN: 1941-6253

eISSN: 1941-6261

The overall mission of the International Journal of Sociotechnology and Knowledge Development (IJKD) is to provide a practical and comprehensive forum for exchanging research ideas and down-to-earth...

International Journal of Software Innovation

ISSN: 2166-7160

eISSN: 2166-7179

The mission of the International Journal of Software Innovation (IJSI) is to provide a comprehensive body of innovative knowledge in a variety of software system domains. The journal stipulates the sh...

International Journal of Standardization Research

ISSN: 2470-8542

eISSN: 2470-8550

The primary mission of the International Journal of Standardization Research (IJSR) is to publish research findings that will advance knowledge relating to standards and standardization for diverse se...

International Journal of Surface Engineering and Interdisciplinary Materials Science

ISSN: 2166-7225

eISSN: 2166-7233

The mission of the International Journal of Surface Engineering and Interdisciplinary Materials Science (IJSEIMS) is to provide channel of communication to disseminate knowledge between academics/rese...

International Journal of Swarm Intelligence Research

ISSN: 1947-9263

eISSN: 1947-9271

The mission of the International Journal of Swarm Intelligence Research (IJSIR) is to become a leading international and well-referred journal in swarm intelligence, nature-inspired optimization algor...

International Journal of Technoethics

ISSN: 1947-3451

eISSN: 1947-346X

The mission of the International Journal of Technoethics (IJT) is to evolve technological relationships of humans with a focus on ethical implications for human life, social norms and values, educatio...

International Journal of Technology and Human Interaction

ISSN: 1548-3908

eISSN: 1548-3916

The primary mission of the International Journal of Technology and Human Interaction (IJTHI) is to be instrumental in the improvement and development of the theory and practice of technology and human...

International Journal of Virtual and Personal Learning Environments

ISSN: 1947-8518

eISSN: 1947-8526

The mission of the International Journal of Virtual and Personal Learning Environments (IJVPLE) is to study and disseminate research about the design, development, and evaluation of online learning en...

International Journal of Web Portals

ISSN: 1938-0194

eISSN: 1938-0208

The mission of the International Journal of Web Portals (IJWP) is to be a primary forum for researchers and practitioners to disseminate the evolving theory and practice related to Web portals, provid...

International Journal of Web Services Research

ISSN: 1545-7362

eISSN: 1546-5004

Web Services are among the most important emerging technologies in the e-business, computer software and communication industries. The Web Services technologies will redefine the way that companies do...

International Journal of Web-Based Learning and Teaching Technologies

ISSN: 1548-1093

eISSN: 1548-1107

The mission of the International Journal of Web-Based Learning and Teaching Technologies (IJWLTT) is to contribute to the broadening of the overall body of knowledge regarding the multi-dimensional as...

International Journal on Semantic Web and Information Systems

ISSN: 1552-6283

eISSN: 1552-6291

The International Journal on Semantic Web and Information Systems (IJSWIS) is an archival journal that publishes high quality original manuscripts in all aspects of Semantic Web that are relevant to c...

International Journals of e-Collaboration

ISSN: 1548-3673

eISSN: 1548-3681

The mission of the International Journal of e-Collaboration (IJeC) is to publish papers that address the design and implementation of e-collaboration technologies, assess the behavioral impacts of the...

Journal of Cases on Information Technology

ISSN: 1548-7717

eISSN: 1548-7725

The Journal of Cases on Information Technology (JCIT) is an international refereed journal whose primary mission is to provide understanding and lessons learned in regard to all aspects of information...

Journal of Comparative Asian Development

ISSN: 1533-9114

eISSN: 2150-5403

Information not localized

Journal of Database Management

ISSN: 1063-8016

eISSN: 1533-8010

The Journal of Database Management (JDM) publishes original research on all aspects of database management, design science, systems analysis and design, and software engineering. The primary mission...

Journal of Electronic Commerce in Organizations

ISSN: 1539-2937

The mission of the Journal of Electronic Commerce in Organizations (JECO) is to provide comprehensive coverage and understanding of the social, cultural, organizational, human, and cognitive impacts o...

Journal of Global Information Management

ISSN: 1062-7375

eISSN: 1533-7995

The Journal of Global Information Management (JGIM) publishes original material concerned with all aspects of global information resources management. JGIM is the primary forum for researchers and pra...

Journal of Information Technology Research

ISSN: 1938-7857

eISSN: 1938-7865

The Journal of Information Technology Research (JITR) seeks to provide evidential research on groundbreaking and emerging areas of information science and technology, with particular focus on breaking...
