(PDF) List of General Computer Science Journals

Discover 17+ in general computer science journals for 2026. Explore both paid and free options with detailed metrics, quartiles, impact factors, submission guidelines, and access types to elevate your research and publishing success.

Future Healthcare Journal

ISSN: 2514-6645

eISSN: 2514-6653

Future Healthcare Journal is a peer-reviewed academic journal that stimulates debate about all aspects of future healthcare. Our multidisciplinary editorial board features commissioned articles from n...

Journal of Systems Thinking in Practice

ISSN: 2980-9460

eISSN: 2821-1669

Aims and Scope: The Journal of Systems Thinking in Practice (JSTINP) aims to provide a deeper understanding of the dynamic behavior of complex systems. As a double peer-reviewed journal on Systems Thi...

Journal of Ethics and Legal Technologies

eISSN: 2612-4920

Journal of Ethics and Legal Technologies publishes research in: law and technology, ethics and law, science and law, philosophy of law.

Engineering

ISSN: 2095-8099

eISSN: 2096-0026

Engineering is an international open-access journal that aims to provide a high-level platform for cutting-edge advancements in engineering R&D, current major research outputs, and key achievement...

Frontiers in High Performance Computing

eISSN: 2813-7337

Frontiers in High Performance Computing publishes research in: high-performance computing, supercomputing, parallel computing, exascale computing, big data analytics.

Ubiquity Proceedings

eISSN: 2631-5602

Focus and Scope: Ubiquity Proceedings is a low-cost, open access proceedings journal that publishes the output from conferences across all disciplines. Our mission is to provide a platform for confere...

Frontiers in Catalysis

eISSN: 2673-7841

Frontiers in Catalysis publishes research in: biocatalysis, electrocatalysis, organocatalysis, photocatalysis, computation catalysis.

Interdisciplinary Journal of Virtual Learning in Medical Sciences

ISSN: 2476-7263

eISSN: 2476-7271

Interdisciplinary Journal of Virtual Learning in Medical Sciences (IJVLMS) aims to promote and enhance the quality of e-learning in formal and non-formal education.The journal publishes research and s...

Ibn Al-Haitham Journal for Pure and Applied Sciences

ISSN: 1609-4042

eISSN: 2521-3407

Ibn Al-Haitham Journal for Pure and Applied Sciences publishes research in: biology, chemistry, mathematics, physics, computer.

Acta Polytechnica CTU Proceedings

eISSN: 2336-5382

Acta Polytechnica CTU Proceedings publishes research in: engineering, physics, mathematics, computer science.

ComTech

ISSN: 2087-1244

eISSN: 2476-907X

ComTech publishes research in: mathematics, engineering, information technology, statistics, computers.

Digital Humanities in the Nordic and Baltic Countries Publications

eISSN: 2704-1441

Digital Humanities in the Nordic and Baltic Countries Publications publishes research in: digital humanities, library and information science, humanities, computational humanities, archivistics.

[Journal for Digital Legal History](#)

eISSN: 2796-0226

The Journal for Digital Legal History aims to provide a platform for innovative research in the field of digital legal history, showcasing new methods and their applications through various formats su...

[JIPTEK: Jurnal Ilmiah Pendidikan Teknik dan Kejuruan](#)

ISSN: 1979-0031

eISSN: 2598-6430

JIPTEK: Jurnal Ilmiah Pendidikan Teknik dan Kejuruan publishes research in: technical and vocational education, vocational education, advanced technologies, engineering education.

[Industrial Data](#)

ISSN: 1560-9146

eISSN: 1810-9993

Objetivo y alcance de la revista INDUSTRIAL DATALa revista INDUSTRIAL DATA es una publicaciÃ³n de la Facultad de IngenierÃa Industrial de la Universidad Nacional Mayor de San Marcos, que se enfoca en...

[JIRAE (International Journal of Industrial Research and Applied Engineering)](#)

eISSN: 2407-7259

JIRAE (International Journal of Industrial Research and Applied Engineering) publishes research in: industrial technology, applied engineering, industrial engineering.

[Jurnal Teknologi dan Sistem Komputer](#)

ISSN: 2620-4002

eISSN: 2338-0403

Jurnal Teknologi dan Sistem Komputer publishes research in: computer engineering, robotics, multimedia processing, artificial intelligence, computer security.
