(PDF) List of Global and Planetary Change Journals

Discover 80+ in global and planetary change journals for 2025. Explore both paid and free options with detailed metrics, quartiles, impact factors, submission guidelines, and access types to elevate your research and publishing success.

Acta Biologica Sibirica

eISSN: 2412-1908

Acta Biologica Sibirica is a peer-reviewed, open-access, launched to accelerate research and free information exchange in taxonomy, phylogeny, biogeography, faunistics, floristics, Biological systema...

Advances in Climate Change Research

ISSN: 1674-9278

eISSN: 2524-1761

Advances in Climate Change Research publishes scientific research and analyses on climate change and the interactions of climate change with society. This journal encompasses basic science and economi...

Agricultural and Forest Meteorology

ISSN: 0168-1923

Agricultural and Forest Meteorology is an international journal for the publication of original articles and reviews on the inter-relationship between meteorology, agriculture, forestry, and natural e...

All Earth

eISSN: 2766-9645

All Earth (formerly Geodinamica Acta) publishes interdisciplinary research relevant to all fields of Earth Science, including cross- and multi-disciplinary studies. The journal welcomes all sound, rep...

Anthropocene

ISSN: 2213-3054

Anthropocene is an interdisciplinary peer-reviewed journal answering questions about the nature, scale and extent of interactions between people and Earth processes and systems. The scope of the journ...

Anthropocene Review

ISSN: 2053-0196

eISSN: 2053-020X

The Anthropocene Review, a trans-disciplinary journal issued 3 times per year, brings together peer-reviewed articles on all aspects of research pertaining to the Anthropocene, from earth and environm...

APN Science Bulletin

eISSN: 2522-7971

The APN Science Bulletin is a peer-reviewed digital publication that features research and capacity building projects funded by APN. The Science Bulletin is intended for readers from both science and...

Arctic, Antarctic, and Alpine Research

ISSN: 1523-0430

eISSN: 1938-4246

The mission of Arctic, Antarctic, and Alpine Research (AAAR) is to advance understanding of cold region environments by publishing original scientific research from past, present and future high-latit...

Arid Ecosystems

ISSN: 2079-0961

eISSN: 2079-0988

Arid Ecosystems publishes original scientific research articles on desert and semidesert ecosystems and environment: -systematic studies of arid territories: climate changes, water supply of terri...

Biodiversity

ISSN: 1488-8386

eISSN: 2160-0651

The aim of Biodiversity is to raise an appreciation and deeper understanding of species, ecosystems and the interconnectedness of the living world and thereby avoid the mismanagement, misuse and destr...

Biogeographia

eISSN: 2475-5257

Biogeographia – The Journal of Integrative Biogeography publishes manuscripts on biogeography since 1970. The aim of the journal is to increase the scientific understanding of the processes driving...

Canadian Journal of Agricultural Economics

ISSN: 0008-3976

eISSN: 1744-7976

The CJAE provides a forum for scholarship in agricultural, environmental, food, and resource economics. The CJAE publishes a range of theoretical, applied and policy-related articles.

Canadian Journal of Forest Research

ISSN: 0045-5067

eISSN: 1208-6037

Published since 1971, this monthly journal features articles, reviews, notes and concept papers on a broad spectrum of forest sciences, including biometrics, conservation, disturbances, ecology, econo...

Carbon and Climate Law Review

ISSN: 1864-9904

eISSN: 2190-8230

As climate policies evolve around the globe, attention is shifting from their conceptual design to the challenges of implementation. Where theoretical concerns once dominated, legal professionals are...

Carbon Balance and Management

eISSN: 1750-0680

Carbon Balance and Management is an open access, peer-reviewed online journal that encompasses all aspects of research aimed at developing a comprehensive policy relevant to the understanding of the g...

Challenges in Sustainability

eISSN: 2297-6477

Challenges in Sustainability (CiS) seeks to be a pivotal forum for the dissemination of innovative research that fosters the advancement of sustainability solutions amidst global environmental changes...

Chemosphere - Global Change Science

ISSN: 1465-9972

Incorporated into Chemosphere. Chemosphere is an international journal designed for the publication of original communications as well as review articles on chemicals in the environment. Chemosphere,...

Chinese Journal of Urban and Environmental Studies

ISSN: 2345-7481

eISSN: 2345-752X

Chinese Journal of Urban and Environmental Studies (CJUES) is a peer-reviewed journal that seeks to publish high-quality research papers and book reviews to explore a wide range of academic and policy...

Clean Technologies

eISSN: 2571-8797

Clean Technologies (ISSN 2571-8797) is an international, open access journal of scientific research on technology development aiming to reduce the environmental impact of human activities. Our aim is...

Climate and Development

ISSN: 1756-5529

eISSN: 1756-5537

Climate and Development is the first academic journal dedicated to the range of issues that arise when climate variability, climate change and climate policy are considered along with development need...

Climate Change Ecology

eISSN: 2666-9005

The journal Climate Change Ecology is an Open Access journal for terrestrial, marine, and freshwater ecological research looking at ecosystem adaptations or responses to anthropogenic climate change....

Climate Change Economics

ISSN: 2010-0078

eISSN: 2010-0086

Climate Change Economics (CCE) publishes theoretical and empirical papers devoted to analyses of mitigation, adaptation, impacts, and other issues related to the policy and management of greenhouse ga...

Climate Change Research

ISSN: 1673-1719

Climate Change Research publishes scientific research and analysis on climate change and the interactions of climate change with society. The journal encompasses scientific basis, economic, social, an...

Climate of the Past

ISSN: 1814-9324

eISSN: 1814-9332

Climate of the Past (CP) is a not-for-profit international scientific journal dedicated to the publication and discussion of research articles, short communications, and review papers on the climate h...

Climate Policy

ISSN: 1469-3062

eISSN: 1752-7457

Climate Policy is a leading international peer-reviewed academic journal, publishing high quality research and analysis on all aspects of climate change policy, including adaptation and mitigation, go...

Climate Risk Management

eISSN: 2212-0963

Climate Risk Management publishes original scientific contributions, state-of-the-art reviews and reports of practical experience on the use of knowledge and information regarding the consequences of...

Climate Services

eISSN: 2405-8807

The journal Climate Services publishes research with a focus on science-based and user-specific climate information underpinning climate services, ultimately to assist society to adapt to climate chan...

Climatic Change

ISSN: 0165-0009

eISSN: 1573-1480

Climatic Change is dedicated to the totality of the problem of climatic variability and change - its descriptions, causes, implications and interactions among these. The purpose of the journal is to p...

Comptes Rendus - Geoscience

ISSN: 1631-0713

eISSN: 1778-7025

Comptes Rendus GÃ©oscience is a peer-reviewed electronic journal, which covers all areas of the Earth Sciences: solid earth, continental surfaces and waters, ocean/climate/atmosphere, science and so...

Conservation Science and Practice

eISSN: 2578-4854

Conservation Science and Practice publishes papers that address the policy, planning, and practice of conserving biological diversity. The journal publishes papers that expand conservation knowledge r...

Current Climate Change Reports

eISSN: 2198-6061

Current Climate Change Reports provides concise review articles on a wide range of topical subjects in the field of climate change. By providing insightful and balanced contributions the journal striv...

Earth System Governance

eISSN: 2589-8116

The journal Earth System Governance addresses governance processes and institutions at all levels of decision-making - from local to global - within a planetary perspective that seeks to align our cur...

Earth Systems and Environment

ISSN: 2509-9426

eISSN: 2509-9434

The journal disseminates high-quality information on cutting-edge developments in the various research fields of Earth Systems and environment based on new methods, theories, and applications. It has...

Ecological Solutions and Evidence

eISSN: 2688-8319

Ecological Solutions and Evidence is an open access journal publishing articles with direct relevance for the management of biological resources and ecological systems. We welcome original research, d...

Ecology, Economy and Society

ISSN: 2581-6152

eISSN: 2581-6101

Information not localized

Ecosystem Services

ISSN: 2212-0416

Ecosystem Services, associated with the Ecosystem Services Partnership (ESP), is an international, interdisciplinary journal that deals with the science, policy and practice of Ecosystem Services defi...

Environment

ISSN: 0013-9157

eISSN: 1939-9154

Now in its 60th year of publication, Environment: Science and Policy for Sustainable Development analyzes the problems, places, and people where environment and development come together, illuminating...

Environment and Society: Advances in Research

ISSN: 2150-6779

eISSN: 2150-6787

Environment and Society: Advances in Research is an annual review journal, publishing articles that have been commissioned in response to specific published calls. The field of research on environment...

Environmental Advances

ISSN: 2666-7657

Environmental Advances is an international and fully Open Access journal supporting the rapid publication of peer-reviewed original research articles, short communications and review papers dealing wi...

Environmental Challenges

eISSN: 2667-0100

Environmental Challenges, a companion journal of Journal of Environmental Management, is an international journal designed for the publication of original research findings and review articles in new...

Environmental Earth Sciences

ISSN: 1866-6280

eISSN: 1866-6299

Environmental Earth Sciences is an international multidisciplinary journal concerned with aspects of interaction between humans, natural resources or unique geographic zones, and the solid earth: -...

Environmental Economics

ISSN: 1998-6041

eISSN: 1998-605X

The journal Environmental Economics was created taking into account the fact that it is becoming increasingly difficult for experts to navigate the avalanche-like information flow. Based on careful ex...

Environmental Epidemiology

eISSN: 2474-7882

ENVIRONMENTAL EPIDEMIOLOGY publishes high-quality epidemiologic research and methodologic innovations in the topic area of environmental epidemiology, with emphasis on health effects related to the ch...

Environmental Hazards

ISSN: 1747-7891

eISSN: 1878-0059

Environmental Hazards: Human and Policy Dimensions is an innovative, interdisciplinary and international research journal addressing the human and policy dimensions of hazards. The journal addresses t...

Environmental Management

ISSN: 0364-152X

eISSN: 1432-1009

Environmental Management publishes research and opinions on use and conservation of natural resources, protection of habitats and control of hazards, spanning the field of environmental management wit...

Forum Geografic

ISSN: 1583-1523

eISSN: 2067-4635

Founded in 2002, Forum geografic. Studii de geografie și protecția mediului aims to publish high quality research in the domains of geography, environment protection and other related domains. It ad...

Frontiers in Climate

eISSN: 2624-9553

Frontiers in Climate publishes rigorously peer-reviewed, cutting-edge research on a broad range of topics that cover the applications of scientific advances in climate research, with a focus on mitiga...

Frontiers in Forests and Global Change

eISSN: 2624-893X

Forests are a dominant feature of our planet. On geological time scales they have expanded and contracted, but remain a major driver of global cycles of energy and carbon, water and nutrients. In much...

Frontiers in Marine Science

eISSN: 2296-7745

Frontiers in Marine Science publishes rigorously peer-reviewed research that advances our understanding of all aspects of the environment, biology, ecosystem functioning and human interactions with th...

Frontiers in Sustainable Food Systems

eISSN: 2571-581X

Frontiers in Sustainable Food Systems publishes rigorously peer-reviewed research on one of the biggest challenges of our time: sustainably achieving global food security. Led by an outstanding Editor...

Frontiers of Biogeography

eISSN: 1948-6596

Frontiers of Biogeography is the scientific magazine of the International Biogeography Society (<http://www.biogeography.org/>). Our scope includes news, original research letters, reviews, opinions and...

Geo: Geography and Environment

eISSN: 2054-4049

Geo is a fully open access international journal publishing original articles from across the spectrum of geographical and environmental research. Geo welcomes submissions which make a significant con...

Geocarrefour

ISSN: 1627-4873

eISSN: 1960-601X

Founded in 1926, G  ocarrefour is one of the oldest French speaking geography journals. G  ocarrefour is anchored in a plural geography and is open to the work of related disciplines, planning and urb...

Geographica Helvetica

ISSN: 0016-7312

eISSN: 2194-8798

Geographica Helvetica, the Swiss journal of geography, publishes contributions in all fields of geography as well as in related neighbouring disciplines. It is a multi-lingual journal, accepting artic...

GeoHealth

eISSN: 2471-1403

GeoHealth provides a collaborative home for disseminating and advancing interdisciplinary research that highlights issues at the intersection of the Earth and environmental sciences and health science...

Geological Field Trips and Maps

eISSN: 2611-6189

Geological Field Trips and Maps (GFT&M) is an especial international journal edited by the Italian Geological Society and the Geological Survey of Italy - ISPRA. The journal was born in 2009 to encour...

Geoplanning

eISSN: 2355-6544

The Focus and Scope of Geoplanning Journal of Geomatics and Planning are as follows; Geomatics Field: Geomatics Instrument, Geomatics Applications, Technologies on Survey and Mapping, GIS, GIScienc...

Glasnik – Srpskog Geografskog Drustva

ISSN: 0350-3593

eISSN: 2406-078X

The Journal Bulletin of the Serbian Geographical Society is dedicated to Geography and its related disciplines. It was founded by Jovan Cvijić in Belgrade in 1912, and it was printed under this name...

Global and Planetary Change

ISSN: 0921-8181

The objective of the journal Global and Planetary Change is to provide a multi-disciplinary overview of the processes taking place in the Earth System and involved in planetary change over time. The j...

Global Atmosphere and Ocean System

ISSN: 1023-6732

Cessation

Global Biogeochemical Cycles

ISSN: 0886-6236

eISSN: 1944-9224

Global Biogeochemical Cycles (GBC) features research on regional to global biogeochemical interactions, as well as more local studies that demonstrate fundamental implications for biogeochemical proce...

Global Change Biology

ISSN: 1354-1013

eISSN: 1365-2486

Global Change Biology exists to promote understanding of the interface between all aspects of current environmental change that affects a substantial part of the globe and biological systems. Studies...

Global Ecology and Biogeography

ISSN: 1466-822X

eISSN: 1466-8238

Global Ecology and Biogeography (GEB) welcomes papers that investigate broad-scale (in space, time and/or taxonomy), general patterns in the organization of ecological systems and assemblages, and the...

Global Environment

ISSN: 1973-3739

eISSN: 2053-7352

The half-yearly journal Global Environment: A Journal of History and Natural and Social Sciences acts as a forum and echo chamber for ongoing studies on the environment and world history, with special...

Global Environmental Change

ISSN: 0959-3780

eISSN: 1872-9495

Global Environmental Change is a peer-reviewed international journal publishing high quality, theoretically and empirically rigorous articles, which advance knowledge about the human and policy dimens...

Global Environmental Politics

ISSN: 1526-3800

Global Environmental Politics examines relationships between global political forces and environmental change, with particular attention given to the implications of local-global interactions for envi...

Global Journal of Emerging Market Economies

ISSN: 0974-9101

eISSN: 0975-2730

Global Journal of Emerging Market Economies is a peer-reviewed journal. The aim of the journal is to provide an international platform for knowledge sharing, discussion and networking on the various a...

Global Policy

ISSN: 1758-5880

eISSN: 1758-5899

Global Policy is an innovative and interdisciplinary journal bringing together world class academics and leading practitioners to analyse both public and private solutions to global problems and issue...

Global Society

ISSN: 1360-0826

eISSN: 1469-798X

Global Society is an interdisciplinary journal of international studies that promotes the analysis of the internationalisation and globalisation of various levels of social, economic and political int...

Global Sustainability

eISSN: 2059-4798

Global Sustainability is an Open Access journal dedicated to supporting the rapidly expanding area of global sustainability research. Without profound societal transformations, humanity risks destabil...

Growth and Change

ISSN: 0017-4815

eISSN: 1468-2257

Growth and Change: A Journal of Urban and Regional Policy welcomes manuscripts from scholars and professionals in all disciplines and specialties. Contributions from economics, geography, regional sci...

Holocene

ISSN: 0959-6836

eISSN: 1477-0911

he Holocene is a high impact, peer reviewed journal dedicated to fundamental scientific research at the interface between the long Quaternary record and the natural and human-induced environmental pro...

International Journal of Applied Earth Observation and Geoinformation

ISSN: 1569-8432

eISSN: 1872-826X

The Journal publishes original papers that apply earth observation data to inventarisation and management of natural resources and the environment. In this context, earth observation data are normally...

International Journal of Climate Change Strategies and Management

ISSN: 1756-8692

Effective from volume 10 (2018), International Journal of Climate Change Strategies and Management is an open access journal. In the history of science there have been only a few issues which have mob...

International Journal of Climate Change: Impacts and Responses

ISSN: 1835-7156

eISSN: 2833-4140

The International Journal of Climate Change: Impacts and Responses seeks to create an interdisciplinary forum for discussion of evidence of climate change, its causes, its ecosystemic impacts, and its...

International Journal of Disaster Risk Science

ISSN: 2095-0055

eISSN: 2192-6395

The International Journal of Disaster Risk Science (IJDRS) provides a pioneering platform for researchers and practitioners aiming at greater resilience and integrated risk governance in view of local...

International Journal of Energy Production and Management

ISSN: 2056-3272

eISSN: 2056-3280

Information not localized

International Journal of Global Warming

ISSN: 1758-2083

eISSN: 1758-2091

IJGW aims to bring all disciplines together for local/global solutions to combat global warming and its consequences. It focuses around nine main pillars: better remediation, avoidance, efficiency, co...

Journal of Advances in Modeling Earth Systems

eISSN: 1942-2466

The Journal of Advances in Modeling Earth Systems (JAMES) is committed to advancing the science of Earth systems modeling by offering high-quality scientific research through online availability and o...

Journal of Agrarian Change

ISSN: 1471-0358

eISSN: 1471-0366

The Journal of Agrarian Change is the leading journal of agrarian political economy. It promotes investigation of the social relations and dynamics of production, property and power in agrarian format...
