

(PDF) List of Histology Journals

Discover 65+ in histology journals for 2025. Explore both paid and free options with detailed metrics, quartiles, impact factors, submission guidelines, and access types to elevate your research and publishing success.

Acta Anatomica Sinica

ISSN: 0529-1356

Founded in 1953, Acta Anatomica Sinica, which sponsored by Chinese Society of Anatomical Science, is one of the foremost comprehensive journals in the category of anatomy science in china. Acta Anatom...

Acta Cytologica

ISSN: 0001-5547

eISSN: 1938-2650

With articles offering an excellent balance between clinical cytology and cytopathology, Acta Cytologica fosters the understanding of the pathogenetic mechanisms behind cytomorphology and thus facilit...

Acta Histochemica

ISSN: 0065-1281

eISSN: 1618-0372

Acta histochemica, a journal of structural biochemistry of cells and tissues, publishes original research articles, short communications, reviews, letters to the editor, meeting reports and abstracts...

Acta Histochemica et Cytochemica

ISSN: 0044-5991

eISSN: 1347-5800

Acta Histochemica et Cytochemica is the official online journal of the Japan Society of Histochemistry and Cytochemistry. It is intended primarily for rapid publication of concise, original articles i...

Acta Vulnologica

ISSN: 1721-2596

eISSN: 1827-1774

The journal Acta Vulnologica publishes scientific papers on physiopathology and therapy of chronic cutaneous ulcers. Manuscripts may be submitted in the form of editorials, original articles, review a...

Actas Dermo-Sifiliograficas

ISSN: 0001-7310

eISSN: 1578-2190

The Official publication of the Spanish Academy of Dermatology and Venereology (AEDV). Actas Dermo-Sifiliograficas, founded in 1909, is the oldest monthly medical journals published in Spain. In the...

Adipocyte

ISSN: 2162-3945

eISSN: 2162-397X

Adipocyte recognizes that the adipose tissue is the largest endocrine organ in the body, and explores the link between dysfunctional adipose tissue and the growing number of chronic diseases including...

Analytical and Quantitative Cytology and Histology

ISSN: 0884-6812

AQCH is an Official Periodical of The International Academy of Cytology and the Italian Society of Urologic Pathology.

Analytical and Quantitative Cytopathology and Histopathology

ISSN: 2578-742X

eISSN: 2578-742X

Information not localized

Anatomical Record

ISSN: 0003-276X

eISSN: 1097-0185

Information not localized

Anatomical Sciences Education

ISSN: 1935-9772

eISSN: 1935-9780

The aim of this journal is to provide an international forum for evidence-based exchange of ideas, opinions, innovations, and research on topics related to education in the anatomical sciences of gros...

Anatomy and Cell Biology

ISSN: 2093-3665

eISSN: 2093-3673

anatomy & Cell Biology (ACB, pISSN 2093-3665/eISSN 2093-3673) is an international forum for multi-perspective discussion of all fields of anatomy, particularly the field of cell biology based on anatom...

Applied Immunohistochemistry and Molecular Morphology

ISSN: 1541-2016

eISSN: 1533-4058

Applied Immunohistochemistry & Molecular Morphology covers newly developed identification and detection technologies, and their applications in research and diagnosis for the applied immunohistoche...

Archives of Histology and Cytology

ISSN: 0914-9465

eISSN: 1349-1717

Information not localized

Biotechnic and Histochemistry

ISSN: 1052-0295

eISSN: 1473-7760

Biotechnic & Histochemistry (formerly Stain technology) is the official publication of the Biological Stain Commission. The journal has been in continuous publication since 1926. Biotechnic & Histoch...

BMC Clinical Pathology

eISSN: 1472-6890

Cessation. Information not localized.

Bone

ISSN: 8756-3282

BONE is an interdisciplinary forum for the rapid publication of original articles and reviews on basic, translational, and clinical aspects of bone and mineral metabolism. The Journal also encourages...

Bone Research

ISSN: 2095-4700

eISSN: 2095-6231

Bone Research is an open access, fully peer-reviewed journal publishing the foremost progress and novel understanding of all aspects of bone science. The journal highlights the breakthrough discoverie...

Brain Structure and Function

ISSN: 1863-2653

eISSN: 1863-2661

Brain Structure & Function publishes research that provides insight into brain structure~function relationships. Studies published here integrate data spanning from molecular, cellular, developmenta...

Cancer Pathogenesis and Therapy

ISSN: 2097-2563

eISSN: 2949-7132

Cancer Pathogenesis and Therapy (CPT) is an international open access journal covering key topics in all aspects of cancer research, focusing on mechanism innovation, emerging interdisciplinary and cl...

Cell and Tissue Research

ISSN: 0302-766X

eISSN: 1432-0878

The journal publishes regular articles and reviews in the areas of molecular, cell, and supracellular biology. In particular, the journal intends to provide a forum for publishing data that analyze th...

Cell Health and Cytoskeleton

ISSN: 1179-1330

Cessation. Information not localized

Cell Systems

ISSN: 2405-4712

eISSN: 2405-4720

Cell Systems was established in 2015 to provide a home at Cell Press for elegant work that addresses fundamental questions in systems biology. "Systems biology," as we broadly define it, is work that...

Cells Tissues Organs

ISSN: 1422-6405

eISSN: 1422-6421

"Cells Tissues Organs" aims at bridging the gap between cell biology and developmental biology and the emerging fields of regenerative medicine (stem cell biology, tissue engineering, artificial organ...

Clinical Anatomy

ISSN: 0897-3806

eISSN: 1098-2353

Clinical Anatomy is the Official Journal of the American Association of Clinical Anatomists and the British Association of Clinical Anatomists. The goal of Clinical Anatomy is to provide a medium for...

Clinical Medicine Insights: Pathology

ISSN: 1179-5557

Clinical Pathology was published previously as Clinical Medicine Insights: Pathology. Clinical Pathology is an international, peer-reviewed, open access journal that focuses on all aspects of clinical...

Clinical Pathology

eISSN: 2632-010X

Clinical Pathology is an international, peer-reviewed, open access journal that focuses on all aspects of clinical pathology, including pathogenesis, diagnostics, the genetic basis of pathology, trans...

Current Cardiovascular Imaging Reports

ISSN: 1941-9066

eISSN: 1941-9074

Cardiovascular imaging technologies now play an expanded role in clinical practice. Beyond the diagnosis of a disease process, these techniques are rapidly transitioning to help guide therapy. The jou...

Current Protocols in Cytometry

ISSN: 1934-9297

eISSN: 1934-9300

Current Protocols in Cytometry is the comprehensive resource for all types of protocols in cytometry and imaging. The expansion of cell-based analysis systems across all fields of biology has been dri...

Cytology and Genetics

ISSN: 0095-4527

eISSN: 1934-9440

Cytology and Genetics publishes results of investigations in various fields of genetics, cytology, cell biology and biotechnology. It accepts original experimental studies and theoretical articles, as...

Cytometry Part A

ISSN: 1552-4922

eISSN: 1552-4930

Cytometry Part A, the journal of quantitative single-cell analysis, features original research reports and reviews of innovative scientific studies employing quantitative single-cell measurement, sepa...

Cytometry Part B - Clinical Cytometry

ISSN: 1552-4949

eISSN: 1552-4957

Cytometry Part B: Clinical Cytometry features original research reports, in-depth reviews and special issues that directly relate to and palpably impact clinical flow, mass and image-based cytometry....

Cytopathology

ISSN: 0956-5507

eISSN: 1365-2303

The aim of Cytopathology is to publish articles relating to those aspects of cytology which will increase our knowledge and understanding of the aetiology, diagnosis and management of human disease. I...

Diagnostic Cytopathology

ISSN: 8755-1039

eISSN: 1097-0339

Diagnostic Cytopathology is intended to provide a forum for the exchange of information in the field of cytopathology, with special emphasis on the practical, clinical aspects of the discipline. The e...

Diagnostic Histopathology

ISSN: 1756-2317

eISSN: 1876-7621

This monthly review journal aims to provide the practising diagnostic pathologist and trainee pathologist with up-to-date reviews on histopathology and cytology and related technical advances. Each is...

Diagnostic Pathology

eISSN: 1746-1596

Diagnostic Pathology is an open access, peer-reviewed, online journal that considers research in surgical and clinical pathology, immunology, and biology, with a special focus on cutting-edge approach...

Egyptian Journal of Histology

ISSN: 1110-0559

eISSN: 2090-2417

The Egyptian Journal of Histology is the official Journal of the Egyptian Society of Histology and Cytology. Launched in 1978 and published quarterly, it covers all aspects of histology, cytology and...

Electronic Journal of Pathology and Histology

ISSN: 0948-0382

Information not localized

European Journal of Cell Biology

ISSN: 0171-9335

eISSN: 1618-1298

The European Journal of Cell Biology, a journal of experimental cell investigation, publishes reviews, original articles and short communications on the structure, function and macromolecular organiza...

European Journal of Histochemistry

ISSN: 1121-760X

eISSN: 2038-8306

The Journal publishes original papers concerning investigations by histochemical and immunohistochemical methods, and performed with the aid of light, super-resolution and electron microscopy, cytomet...

Folia Histochemica et Cytobiologica

ISSN: 0239-8508

eISSN: 1897-5631

"Folia Histochemica et Cytobiologica" is an international, English-language journal publishing articles in the areas of histochemistry, cytochemistry and cell & tissue biology. "Folia Histochemica..."

Folia Morphologica

ISSN: 0015-5659

eISSN: 1644-3284

"Folia Morphologica" is an official journal of the Polish Anatomical Society (a Constituent Member of European Federation for Experimental Morphology - EFEM). It contains original articles and reviews...

Frontiers in Bioengineering and Biotechnology

eISSN: 2296-4185

The translation of new discoveries in medicine to clinical routine has never been easy. During the second half of the last century, thanks to the progress in chemistry, biochemistry and pharmacology,...

Histochemistry and Cell Biology

ISSN: 0948-6143

eISSN: 1432-119X

Histochemistry and Cell Biology is devoted to the field of molecular histology and cell biology, publishing original articles dealing with the localization and identification of molecular components,...

Histology and Histopathology

ISSN: 0213-3911

eISSN: 1699-5848

HISTOLOGY AND HISTOPATHOLOGY is a peer-reviewed international journal, the purpose of which is to publish original and review articles in all fields of the microscopical morphology, cell biology and t...

Histopathology

ISSN: 0309-0167

eISSN: 1365-2559

Histopathology is an international journal intended to be of practical value to surgical and diagnostic histopathologists, and to investigators of human disease who employ histopathological methods. O...

Indonesian Journal of Clinical Pathology and Medical Laboratory

eISSN: 2477-4685

Indonesian Journal of Clinical Pathology and Medical Laboratory (IJCPL) is a journal published by the "Indonesian Association of Clinical Pathology and Medical Laboratory (Perhimpunan Dokter Spesiali...

Indonesian Journal of Medical Laboratory Science and Technology

ISSN: 2684-6748

eISSN: 2656-9825

The journal serves as a platform for exchange of knowledge by publishing original research that will contribute to current knowledge and encourage future research including, but not limited to, the fo...

International Journal of Anatomy and Research

ISSN: 2321-8967

eISSN: 2321-4287

International Journal of Anatomy and Research (IJAR) is an open access, peer-reviewed, quarterly publishing online & print journal that encompasses all academic and clinical aspects of Anatomy, emphas...

International Journal of Clinical and Experimental Pathology

ISSN: 1936-2625

Information not localized

IntraVital

ISSN: 2165-9079

eISSN: 2165-9087

Cessation. IntraVital focuses on cutting edge research in the field of intravital microscopy, a fast growing area of light microscopy that has revolutionized biomedical research. This technology has mad...

Journal of Anatomy

ISSN: 0021-8782

eISSN: 1469-7580

Journal of Anatomy is an international peer-reviewed journal sponsored by the Anatomical Society. The journal publishes original papers, invited review articles and book reviews. Its main focus is to...

Journal of Cutaneous Pathology

ISSN: 0303-6987

eISSN: 1600-0560

Journal of Cutaneous Pathology publishes manuscripts broadly relevant to diseases of the skin and mucosae, with the aims of advancing scientific knowledge regarding dermatopathology and enhancing the...

Journal of Cytology

ISSN: 0970-9371

eISSN: 0974-5165

The Journal of Cytology is the official Quarterly publication of the Indian Academy of Cytologists. It is in the 25th year of publication in the year 2008. The journal covers all aspects of diagnostic...

Journal of Extracellular Vesicles

eISSN: 2001-3078

Journal of Extracellular Vesicles is the official journal of the International Society for Extracellular Vesicles. It provides a much-needed forum for the exchange of data, ideas and information from...

Journal of Functional Morphology and Kinesiology

eISSN: 2411-5142

The Journal of Functional Morphology and Kinesiology (ISSN 2411-5142) is a peer-reviewed, international, multidisciplinary open-access journal dedicated to all aspects and advancement of Anatomy, Hist...

Journal of Hematopathology

ISSN: 1868-9256

eISSN: 1865-5785

The Journal of Hematopathology aims at providing pathologists with a special interest in hematopathology with all the information needed to perform modern pathology in evaluating lymphoid tissues and...

Journal of Histochemistry and Cytochemistry

ISSN: 0022-1554

eISSN: 1551-5044

Journal of Histochemistry & Cytochemistry (JHC) has been a recognized cell biology journal for over 50 years. Published monthly, JHC emphasizes research which employs in situ evaluation of biology cen...

Journal of Histotechnology

ISSN: 0147-8885

eISSN: 2046-0236

The official journal of the National Society for Histotechnology, Journal of Histotechnology, aims to advance the understanding of complex biological systems and improve patient care by applying histo...

Journal of Microscopy

ISSN: 0022-2720

eISSN: 1365-2818

The Journal of Microscopy is the oldest journal dedicated to the science of microscopy and the only peer-reviewed publication of the Royal Microscopical Society. It publishes papers that report on the...

Journal of Molecular Histology

ISSN: 1567-2379

eISSN: 1567-2387

The Journal of Molecular Histology publishes results of original research on the localization and expression of molecules in animal cells, tissues and organs. Coverage includes studies describing nove...

Journal of Morphological Sciences

eISSN: 2177-0298

Journal of Morphological Sciences is the official journal of the Brazilian Society of Anatomy and the Panamerican Association of Anatomists. Areas of interest: The Journal of Morphological Sciences co...

Journal of Neurocytology

ISSN: 0300-4864

eISSN: 1573-7381

Information not localized

Journal of Pathology and Translational Medicine

ISSN: 2383-7837

eISSN: 2383-7845

The Journal of Pathology and Translational Medicine is an open venue for the rapid publication of major achievements in various fields of pathology, cytopathology, and biomedical and translational res...

Journal of Submicroscopic Cytology and Pathology

ISSN: 1122-9497

Information not localized
